Chapter 1 by Deasia Stanton

One day there was a little girl and she had been outside playing in her front yard and she heard a sound. Then boom a little monster bursted out of the back yard she screamed but no one heard. Later on her parents had walked outside and seen that she had been killed by the monster eating on her skin and flesh they called animal control but it was too late it had already scattered off. The same day BOOM the parents had discovered that these little monsters had multiplied into more and they decided to take this into their own hands and kill them. Later that evening they had put the little girl to rest and then the next day they had guns every dangerous thing they could think of then they killed the monsters and went on with their lives
